DATI PRINCIPALI

Cantiere/Modello	FERRETTI YACHTS FERRETTI	**Categoria**	Usato
Lunghezza	22,75 mt	**Larghezza**	5,8 mt
Anno immat.	2023	**Anno costruzione**	2023
Velocità massima	31 nodi	**Velocità crociera**	27 nodi
Zavorra	-	**Stazza**	-
Dislocamento	65000 t	**Pescaggio**	1,95 mt
HP Fiscali	-	**Scadenza RINA**	-
Bandiera	British	**Visibilità**	Turkey
Prezzo	**Euro 3.400.000**		
Note prezzo	Iva non assolta ex vativa no pagada		

COMBUSTIBILI E MOTORI

Nr. serbatoi	1	**Capacità serbatoi**	5000	**Materiale serbatoi**	Still
Motori	MAN 2 x 1550	**Tipo carburante**	Diesel	**Ore moto**	410
Revisione motori	Summer 2026	**Tipo elica**	Bronze	**Trasmissione**	Linea d'asse

MATERIALE COSTRUZIONE

Scafo	Fiberglass	**Tuga**	Fiberglass	**Coperta**	Fiberglass

IDRAULICI

Serbatoi acqua	1 x 1050 lt	**Materiale serbatoi**	Plastic	**Tipo boiler**	Electric
Dissalatore	Presente	**Autoclave**	Presente	**Boiler**	Presente

ELETTRICI

Tensione	220v - 24v - 12v	**Nr. batterie**	12	**Capacità batterie**	180 A
Generatore	Non presente	**Carica batterie**	Presente	**Inverter**	Presente

BREVE DESCRIZIONE

Ferretti yachts 780, from 2023, boat in amazing condition,

Dati ritenuti corretti, ma non contrattuali. La presente non costituisce, in nessun caso, documento contrattuale.

DESCRIZIONE COMPLETA

Ferretti Yachts 780, from 2024, Boat in Amazing Condition, Fully Equipped, with just 280 Engine hours.

DESCRIZIONE INTERNI

8 guests in 4 cabins + crew cabin for 2

DESCRIZIONE ARMAMENTI

TECHNICAL AREA

Engine room Access to cockpit (hatch); Access to crew area (watertight door) Additional boiler Air intakes (2) with air/water separator; Anti slip wooden flooring; Bilge pump; Change over valves (2) to allow engines to pump water from the bilge; Electric ventilation fan (2) Engine room lighting throughout 230V and 24V; Fuel tank gauge; Generator 17,5kW Inert gas fire extinguishing system with automatic/manual control Portable lamp with roll-up cable; Racor fuel filters (2) for engines; Raw water engine filters (2) Silenced exhausts Stainless steel fuel tanks with integrated settling tank and discharge (5000l); Tap fresh water; Water filter cooling system for generator; Watertight aft soundproof bulkhead; Watertight forward soundproof bulkhead

PROPULSION AND CONTROL EQUIPMENT

Propulsion and control; Bow thruster (20 Hp); Electro-hydraulic power steering; Shaft line transmission; Stabilization systems Trim tabs (faps); XENTA docking system

DESCRIZIONE STRUMENTAZIONE

MAIN DECK

Access to the aft platform through a folding door (2); Access to the crew area through GRP double hatch and ladder in the starboard side; Access to the engine room through dedicated hatch Access to the flybridge through GRP; stainless steel and teak steps; stainless steel handrail; Access to the galley (side door) Aft platform with storage; hydraulic lifting platform (450kg) and foldaway bathing ladder; Aft storage bench with sofa; Aft tempered glass sliding door with stainless steel frame; Bilge water acoustic alarm; Boat hooks (2) Bow hawses; Bow pulpit with side rails; Bow thruster (20Hp); Bruce style anchors kg30 (2) with 2 chains (m75 and m100); diameter 12mm Cockpit chairs (4); Cockpit lights; Cockpit sink with fresh water.

Cockpit table in teak; stainless steel leg; Concealed chaise-longue at stern with electro-hydraulic movement; Covers for protection of front and side windows on the wheelhouse; Electric windlass 2300W (2) with controls on foredeck; bridge and flybridge Fairlead roller (side) (2); Fairleads roller; Fairleads roller (center); Fender cover with Ferretti Yachts logo; Fenders (8) and spherical fenders (2); Firefighting hose and chain wash down with sea water Foot-controlled electric windlasses (2 x 700W) in the stern mooring stations; Hatch accesses to forepeak (2) Left-side storage; Lights on sidewalks; Living area at bow with sofa with storage; Mooring lines m18 (4) Mooring lockers with cleat GRP cover; lines storage Perimetrical curtain rod for canopies.

Pull handles in the engine room (engine and generator shut down, activation of fire extinguishing system); Shore line cable 230V m15 Shower with hot/cold water at transom; Sintered teak aft steps; Stainless steel deck hardware; Stainless steel mooring cleat: at stern (4), at midship (2 for each side) and at bow (3); Sunlounge pad at bow with sunbathing cushions and storage; Teak deck floor; Telescopic stainless steel and teak gangway with electro-hydraulic movement, with remote control (2) Waterproof loudspeakers (2) TV FULL HD 43”.

Salon Aft tempered glass sliding door with stainless steel frame; Air conditioning; Cabinet with shelves; Fully fitted carpets; Hi-Fi system home cinema 5+1; Salon area (L-shaped sofa, smoking table); Simple Roman blinds; Standard curtain (aft sliding door). Additional loudspeakers at bow+stereo.

Dining area; Access to galley area (swing door); Access to main helm position (door); Access to the lower deck (wooden staircase); Air conditioning; Cabinets with shelves Chairs (8); Dining table; Exit to deck (side door); Fully fitted carpets Miele upgrade for all appliances Combi oven with microwave function 60x45cm Miele. Miele cooking and dishwasher Drawer refrigerator in salon with boat wood panel.

Galley Access to dining area (swing door); Air conditioning; Cabinets with shelves; Ceramic cooking top; Complete set of ceramic crockery and plates, glasses and stainless steel cutlery, for 12 people; Dishwasher Electric/microwave combined oven; Extractor fan ducted externally 230V Fridge 200l and freezer 67l 230V (24V through inverter); Overhead lockers Side window with electric opening Stainless steel sink with hot and cold water; Venetian metal blinds; Vinyl floor; Work counter top.

Main helm position; Access to deck (side door); Access to dining area (door); Air conditioning; Automatic pilot control unit; Barometer, clock and hygrothermometer; Cigarette lighter 12V outlet Control station with full instrumentation; Electro-hydraulic power steering; Electronic controls for engine clutch and throttle with easy-dock and auto-troll functions; Electronic digital chain counter; Fully fitted carpet Integrated monitoring system touch-screen (integrated with navigation system) Interactive; Digital Manual on Ipad; Magnetic compass; Multifunction touch display for navigation system (radar, chartplotter, GPS, echosounder, engines data) (3) Pilot seat with folding; Rudder angle indicator (integrated with navigation system); Shelves Side exit door with openable window. Awning system with carbon poles on the bow. Sofas with table; Storage compartment; Synoptic switchboard with visual and acoustic alarms; VHF; Windshield wipers with washers and timer (2); Protective cover for bow living area.

FLYBRIDGE

Access to cockpit (GRP, stainless steel and teak steps, stainless steel handrail); Cockpit stairs skylight with stainless steel handrail; Covers for helm console, helmsman seat, sunpad, sofa; Diurnal navigation shapes mast; Flag pole; Freestanding sofas; Fully fitted cabinet with storage and sink GRP roll-bar; Housed life-buoy with floating lifeline and luminous buoy; Life jackets (12) Liferafts for 12 people (2) (6+6) Lights on the fly; Navigation lights; Plexiglass wind deflector; Portable spotlight 1/2 mile range 12V; Radome radar Stainless steel handrail at stern; Stainless steel signal/fag mast.

Sunlounge pad with sunbathing cushions Table TV Antenna Warning horn with compressor Waterproof loudspeakers (2).

Flybridge helm position; Analog engines data indicator (rpm, water temperature); Cigarette lighter 12V outlet; Electro-hydraulic power steering; Electronic controls for engine clutch and throttle with easy-dock and auto-troll functions; Electronic digital chain counter; Mini Hi-Fi,

watertight with USB socket; Multifunction touch display for navigation system (radar, chartplotter, GPS, echosounder, engines data) repeater; Pilot seat con life-raft storage; Rudder angle indicator Second control station with instrument and alarms VHF. SPECIFICATION

LOWER DECK

Lobby Access to the main deck area through wooden steps; Fully fitted carpet on floor. Wine cooler in lower deck staircase. Master cabin; Air conditioning; Bedside cabinets with drawers (2); Cabinet with dressing table (mirror); Cabinets with shelves; Door to bathroom; Double bed with mattress, pillows and bedspread; Drawers underneath the bed; Fully fitted carpet; Hull window (2) with side openable stainless steel porthole and roll-up cover Mini Hi-Fi with 2 loudspeakers with usb socket Mirror Ottoman Safe Simple Roman blinds; Sofa 2 seats; Soundproof bulkhead abaft; Table lamps (2) TV SMART 32” or equivalent; Upholstered bed headboard; Ventilation under the bed; Walk-in wardrobe with inside mirror, shelf. Master bathroom; Cabinets Door to master cabin; Electric WC Hull window with openable porthole in stainless steel; Mirrors; Overhead lockers and shelves; Roll blind Shower with glass door; Undercounter sink WC control panel with gauge (3/4 and full); Wooden flooring VIP guest cabin at bow; Cabinets Double bed with mattress, pillows and bedspread; Drawer underneath the bed; Escape hatch; Fully fitted carpet; Hull windows (2) with stainless steel porthole; Mirror Reading lights (2); Simple Roman blinds TV outlet, 230V sockets Upholstered bed headboard; Ventilation under bed; Wardrobes (2).

Guest cabin, left Bed (2) with mattress, pillows and bedspread; Bedside table with drawer; Drawers underneath the bed; Fully fitted carpet; Hull window with openable stainless steel portholes (2). Reading lights Simple Roman blinds; Ventilation under beds; Wardrobe with inside mirror. Guest cabin, right Bed (2) with mattress, pillows and bedspread; Bedside table with drawer; Drawers underneath the bed; Fully fitted carpet; Hull window with openable stainless steel portholes (2); Reading lights (2); Simple Roman blinds; Ventilation under bed; Wardrobe with inside mirror. Guest and VIP bathroom; Electric ceramic WC; Hull window with openable stainless steel porthole; Mirror; Overhead lockers and shelves; Roll blind; Shower with glass partition; Undercounter sink; WC control panel with gauge (3/4 and full); Wooden flooring

CREW AREA

Crew bathroom Electric marine WC. Handheld shower (waterproof curtain); Mirror Shelves Washbasin; WC control panel with gauge (3/4 and full). Crew cabin Bed (2) with mattress, pillows and bedspread; Cabinets with shelves; Curtain; Fully fitted carpet; Reading lights (2) Stainless steel openable porthole; Wardrobe. Lobby in crew area Access to engine room (watertight door); Access to main deck (fiberglass door, stainless steel and teak ladder); Fully fitted carpet; Main electric panel; Storage area; Washer and dryer machine.

NOTE AGGIUNTIVE

ELECTRONIC EQUIPMENT

Communication VHF (2) Antenna TV SAT cabling for cabins Premium internet package 5G Monitoring system Integrated monitoring system touch-screen (integrated with navigation system) Navigation Automatic pilot main helm position; Multifunction touch display for navigation system (radar, chartplotter, GPS, echosounder, engines data) (3); Multifunction touch display for navigation system (radar, chartplotter, GPS, echosounder, engines data) repeater; Radome radar SPECIFICATION

SYSTEMS

Fire extinguishing system Inert gas fire extinguishing system in the engine room with automatic/manual control; Portable fire extinguishers; Pull handles in the engine room (engine and generator shut down, activation of fire extinguishing system) Smoke detection alarm system Air conditioning system Super Tropical air conditioning system (saloon, dining area, galley, master cabin) Electric system Automatic battery charger for engine batteries 24V Bank of batteries for service 24V Battery charger (2) for auxiliary service batteries complete with switch to charge bow thruster 24V Battery disconnecting switches: mechanical (engine room) and electronic (cockpit) Bow thruster battery group 24V Cathodic protection with anodes Electric outlets throughout Engine batteries 24V Generator 17.5kW Generator battery 12V Internal/External boat LED 24V lighting Inverter 24Vdc / 230Vac for refrigerator Mechanical electric battery parallel (cockpit) Shore plug 63A 230V Bilge system Bilge pump (5) (engine room (2), crew (2), center) Electric pump for bilge drainage in the engine room; Emergency bilge suction pipe (engine room) through engine cooling pump; Multipurpose pump (bilge, grey water, black water) Sanitary and water systems; Automatic electric pump grey water discharge system; Electric WC system with fresh water; Fresh water autoclave pump; Fresh-water tank 1050l Grey water tank (l355 + 61); Holding tank 355l with gauge (3/4 and full); Hot water system with water heater l80 230V; Sea water fire fighting system and chain wash down; Waste water system with automatic electric and manual pump Full Simrad Navigation System
