Riva 82 diva - 2025 - moored in mallorca - boat in amazing condition - fully equipped

Dati ritenuti corretti, ma non contrattuali. La presente non costituisce, in nessun caso, documento contrattuale.

DESCRIZIONE COMPLETA

RIVA 82 DIVA - 2025 - Moored in Mallorca - Spain -

YACHT DESCRIPTION:

Architect: Officina Italiana Design Internal Furniture: Wood Chocolate Wengé Material: GRP

External Hull Colour: Shark Grey

M/Y FENICE is a bespoke Riva 82’ Diva, delivered in 2025 and configured to a notably high specification. Finished in SharkGrey with contrasting black detailing, she presents a more assertive interpretation of Riva’s design language. Upgraded MAN V12 engines deliver strong performance, complemented by both Seakeeper and fin stabilisation for comfort in all conditions.
Internally, Chocolate Wengé high-gloss finishes create a refined and distinctive atmosphere, paired with a contemporary layout designed for practical use. With balanced exterior spaces and a clear focus on usability, FENICE represents a modern, turnkey opportunity in a highly competitive segment.

LAYOUT:
M/Y FENICE accommodates eight guests across four cabins, arranged around a full-beam master suite, a forward VIP and two twin guest cabins, all with en-suite bathrooms. The main deck is centred around a panoramic saloon connected directly to the aft cockpit, creating a natural transition between interior and exterior living. The flybridge offers generous space for dining and relaxation, while the foredeck provides an additional lounge area. Crew accommodation for four is located aft with separate access, ensuring privacy for guests. Circulation throughout the yacht is straightforward, supporting both private use and structured onboard service.

BROKER COMMENTS:
M/Y FENICE stands out as a highly specified 82’ Diva, combining upgraded performance, dual stabilisation and a striking presence - offering immediate usability in a segment where specification and delivery timing matter.

DESCRIZIONE INTERNI

LAYOUT:
M/Y FENICE accommodates eight guests across four cabins, arranged around a full-beam master suite, a forward VIP and two twin guest cabins, all with en-suite bathrooms. The main deck is centred around a panoramic saloon connected directly to the aft cockpit, creating a natural transition between interior and exterior living. The flybridge offers generous space for dining and relaxation, while the foredeck provides an additional lounge area. Crew accommodation for four is located aft with separate access, ensuring privacy for guests.
