DESCRIZIONE COMPLETA

RIVA 88 FOLGORE, 2024, Boat in Amazing Condition and Fully Equipped.

This blaze of brilliant style, this irresistible lightning bolt, is ready to seduce owners and enthusiasts of the Riva legend around the world.
The Riva 88' Folgore is a sportfly with a difference: powerful and revolutionary, with an almost science-fiction beauty, it is a yacht designed to amaze.
The magnetic allure of its design lies in the harmony between past and present, in a concept that combines innovative materials like carbon with traditional stylistic elements, from mahogany inlays to steel decorations.
Like all the masterpieces of Riva's recent history, the 88' Folgore is the result of the collaboration between Officina Italiana Design (the studio founded by Mauro Micheli with Sergio Beretta), the Product Strategy Committee chaired by Piero Ferrari, and the Ferretti Group Engineering Department.

DESCRIZIONE INTERNI

The 88 Folgore has 3 double suites and one twin, with a separate and independent galley and crew quarters aft.
