DESCRIZIONE COMPLETA

Ferretti Yachts 670 - from 2024 - Ready to be delivered in Spain.

Description
Exceptional opportunity to acquire a Ferretti Yachts 670, delivered in Spring 2024, with only one owner and just three months of use. With 220 engine hours and 340 generator hours, this yacht is in impeccable condition and fully prepared for the 2025 yachting season.
Designed in collaboration with architect Filippo Salvetti and the Ferretti Group, the Ferretti Yachts 670 perfectly combines elegance with superior functionality. Measuring 20.24 metres in length and 5.38 metres in beam, it offers spacious and light-filled areas, both inside and out.
The redesigned flybridge features a generous social area, with extended seating and a spacious aft sun pad. On the main deck, the salon, galley, and dining area are seamlessly integrated, creating a refined and welcoming atmosphere. Below deck, the full-beam master suite is located amidships, complemented by a forward VIP cabin and a starboard twin cabin — all with private en-suite bathrooms.
Powered by twin MAN V8 engines with 1200 mhp each, the yacht reaches a top speed of 32 knots and cruises comfortably at 28 knots. It is also equipped with two Seakeeper NG6 Gyroscopic Stabilizers, ensuring maximum comfort at anchor and underway.
Meticulously maintained and fitted with top-of-the-line equipment, this is a rare opportunity to own a virtually new Ferretti Yachts 670, ready to set sail.
