

FONTAINE PAJOT

"TOFEE"

The MY 6 expresses the quintessence of Fountaine Pajot Motor Yachts' promise: to expand its horizons. The designer, PierAngelo Andreani, has created extraordinary volumes for the MY6, equivalent to those offered by a 20 meter monohull. The living space on board, similar to a second home, is breathtaking: its huge flybridge offers a superb view of the horizon line, its lounge, a real loft with terrace, has a large living room and a kitchen which opens onto the cockpit.

The MY6 stands out for the great fluidity of life on board between interior and exterior. In the passage, the private spaces of this luxury power catamaran, overlooking the sea, combine privacy and pleasure: with an impressively sized owner's suite on the port side, two VIP lounges on the starboard side and an optional cabin at the front of the boat or storage spaces. The MY6 satisfies your most uncompromising desires for comfort. The aesthetics signed by PierAngelo Andreani seduce with its modern lines, combining beautiful materials, and certainly makes the MY6 an essential reference in the world of Motor Yachts.
