DESCRIZIONE COMPLETA

M/Y SDG9 is a beautifully presented 2024 Ferretti Yachts 720, representing one of the finest examples of this award-winning model currently available. Combining contemporary Italian styling with exceptional engineering, she offers impressive performance from twin MAN V8 1200 HP engines while maintaining outstanding comfort through dual Seakeeper gyroscopic stabilisers. Expansive glazing floods the interior with natural light, complementing elegant finishes and generous living spaces. Equipped with an extensive factory specification including upgraded navigation electronics, premium entertainment systems and tropical air conditioning, SDG9 has been professionally maintained since delivery and presents an outstanding opportunity for owners seeking a virtually new Ferretti Yachts 720.

DESCRIZIONE INTERNI

LAYOUT:
The Ferretti Yachts 720 offers a highly functional four-cabin layout accommodating up to eight guests. A full-beam owner's suite aft enjoys generous glazing, a dressing area and a luxurious en-suite bathroom, while the forward VIP cabin also benefits from private facilities. Two twin guest cabins amidships share separate bathrooms, creating versatile accommodation for family and guests. The main deck features a spacious saloon with lounge and dining areas connected to a fully equipped galley, which may be configured as either open-plan or enclosed. Separate crew accommodation for two, with independent aft access, ensures complete privacy for owners and guests.
