DESCRIZIONE COMPLETA

This wallypower58 yacht is in an excellent condition (as new) – still with 1st owner and only private use and very few operating hours: 162h as of 24th October 2023. Ready for the season.
The wallypower58, the ultimate open sports cruiser, pays homage to the line's pioneering progenitor whilst incorporating the manifold technical and practical innovations developed over the years. The wallypower58 features pure lines dominated by the double chines in the hull and the air intakes.

DESCRIZIONE INTERNI

Wally has put the volume to great use below, with a true double bed in the bow and a large shower room. Options then range from a comfortable double saloon to a guest cabin or a single crew berth, all with a guest shower and day head. Natural light streams in from overhead and Wally's innovative virtual windows, so-called Magic portholes, relay camera images from outside. In this way, the hull lines remain pure and there is less risk when going alongside.
