Dissalatore	Non presente	Autoclave	Presente	Boiler	Presente

ELETTRICI

Tensione	12/220	Nr. batterie	4	Capacità batterie	140 A
Generatore	FISCHER PANDA (10 12 A)	Carica batterie	Presente	Inverter	Non presente

BREVE DESCRIZIONE

The real "ready to sail"

DESCRIZIONE COMPLETA

The Hanse 508 is the perfect yacht for relaxed blue water sailing, featuring a progressive design and thrilling performance levels within her class. Her fascinating interior and exceptionally diverse range of clever customization options meet the highest standards of flexibility, style, and quality of life.

The Hanse 508 is a 15.55 meter (approx. 51 ft) high-performance cruiser designed by Judel/Vrolijk & Co., characterized by a focus on "easy sailing," fast cruising, and luxurious comfort. It is designed for both comfortable family cruising and rapid, stable offshore performance.

This impeccable example was built in October 2021 and delivered in 2022, specifically customized and outfitted for the needs of those who want to experience sailing without compromise.

The vessel is in excellent, like-new condition and ready to sail.
