DESCRIZIONE INTERNI

Interior

Inside the 68 Diable, Riva's interior design is as stunning as ever, combining Riva's signature quality & detailing with serious cruising comfort. Exquisitely appointed throughout, the three-cabin layout features a full-beam owner's suite, plus a double and a twin suite for family or guests. The open-plan lounge area features a six-place dinette and the galley. Huge hull windows deliver plenty of natural light to the whole space with sweeping sea views.

EXTERIOR

The 68 Diable is of course utterly gorgeous, but also beautifully thought out, to deliver an incomparable cruising experience. The elegant hardtop incorporates a sliding sunroof, which opens forward and back, plus a powered bimini. So, whether you're moored or under way, you can choose as much sun or shade as you wish across the huge cockpit area. As well as sunbeds on the foredeck and in the cockpit, a fold-out chaise longue provides another at the water's edge by the bathing platform.
