Tensione	220v-24v-12v	Nr. batterie	18	Capacità batterie	180 A
Generatore	KOHLER (27 Kw)	Carica batterie	Presente	Inverter	Presente

BREVE DESCRIZIONE

Riva 90 argo

DESCRIZIONE COMPLETA

Riva 90 ARGO - from 2021 -

The 90-foot yacht is the latest addition to the new-generation Riva flybridge range and complements the highly successful Riva 100' Corsaro and the Riva 110' Dolcevita, which is set to be launched in early 2018. The new yacht combines and reinforces the unique selling points of its predecessors, with particular emphasis on the exterior styling distinguished by a sleek and dynamic profile and the generous use of glass for the hull-mounted windows, from the stern to the wide-body owner's suite on the main deck and on the raised pilothouse.

DESCRIZIONE INTERNI

Riva 90 ARGO - from 2021

features all the options one could want including a main deck master with three generous guest cabins, plus ample crew quarters. NERO caters to all crowds with a full suite of customized tenders/toys for the complete package.
