BREVE DESCRIZIONE

2025 ferretti yachts infynito 80 – m/y sea sakura

Dati ritenuti corretti, ma non contrattuali. La presente non costituisce, in nessun caso, documento contrattuale.

DESCRIZIONE COMPLETA

SEA SAKURA is a 2025 Ferretti Yachts INFYNITO 80 conceived for owners who want to travel further without compromising how they live at sea. Her distinctive profile conceals an exceptionally complete specification, including upgraded MAN V12 1,400 hp engines, Seakeeper NG18 stabilization, tropical air conditioning and upgraded 27 kW generators. The signature All-Season Terrace transforms the bow into a sheltered private retreat, while extensive teak, underwater lighting and carefully selected exterior amenities elevate life outdoors. Capable of approximately 1,000 nautical miles at economic cruising speed, SEA SAKURA brings genuine passage-making ability to a yacht that remains unmistakably Italian in character.

Broker Comments:
SEA SAKURA stands apart through the depth and intelligence of her specification. Delivered in 2025 and configured with extended cruising firmly in mind, she brings together valuable factory upgrades, sophisticated onboard technology and exceptional year-round usability. A compelling opportunity for an owner seeking an INFYNITO 80 without compromise.

DESCRIZIONE INTERNI

LAYOUT:
Inside, SEA SAKURA takes a notably residential approach, with the Classic interior mood defined by dark ALPI Striped XL Grey wood and upgraded parquet flooring. Her main deck has been configured with opposing sofas, creating a more sociable salon arrangement beneath a concealed 55-inch ceiling television, while the separate Ernestomeda galley supports extended stays aboard. Below deck, four guest cabins provide substantial privacy, led by the full-beam owner’s suite with its upgraded bathroom and 50-inch mirror television. A sliding-bed arrangement increases flexibility in the starboard guest cabin, while electric curtains, refined finishes and carefully integrated technology maintain a clean, composed atmosphere throughout.

DESCRIZIONE ARMAMENTI
