BROKER COMMENTS:

M/Y FATIMA has been under the care of her original owner since new and maintained to the highest of standards through the close collaboration of her seasoned captain and meticulous owner. Her extraordinary interior was conceived through a unique partnership between Riva's in-house design team and her owner - a world-renowned fashion designer - resulting in a level of customisation rarely seen in production series yacht building. The majority of the walls and ceiling panels are bespoke pieces of artwork by Fornasetti, integrated into the construction by Riva to stunning effect. Throughout, Riva's signature mahogany and maple-stripped flooring enhances the atmosphere of refined opulence. More than a superbly kept yacht, she is a one-of-a-kind expression of artistry and vision - truly unique within the Riva fleet.
