-------	------------	------	------------	---------	--------------------

IDRAULICI

Serbatoi acqua	1 x 350 lt	Materiale serbatoi	Stainless steel	Tipo boiler	-
Dissalatore	Non presente	Autoclave	Presente	Boiler	Presente

ELETTRICI

Tensione	12/220 v	Nr. batterie	-	Capacità batterie	-
Generatore	Non presente	Carica batterie	Presente	Inverter	Presente

BREVE DESCRIZIONE

The italia yachts 12.98 is a completely new project, this is the demo - boat, like a new one

DESCRIZIONE COMPLETA

The Italia Yachts 12.98 is a completely new project, born with a tapered and fast hull to be fun on a cruise and to give great emotions in a race as well as in navigation. It was born according to the canons of the most modern design where a very important part was reserved for hydrodynamic simulations and data analysis entrusted to a pool of professionals. A hull with sleek and fleeting lines, to always guarantee the best passage on the wave, safe and powerful. Unit like a new one, ask for details.

DESCRIZIONE INTERNI

In the interiors of the IY 12.98 the main theme is ecology, nature, respect for the environment: wicker, cotton and linen fibres interpreted with technological and innovative solutions to create an elegant environment, without weighing down the boat. As in the entire range, the solutions respond to ergonomic studies to always guarantee excellent habitability and comfort above the standards.
