Scafo	fiberglass	**Tuga**	Fiberglass	**Coperta**	Teak

IDRAULICI

Serbatoi acqua	1 x 840 lt	**Materiale serbatoi**	Plastic	**Tipo boiler**	Elettrico
Dissalatore	Presente	**Autoclave**	Presente	**Boiler**	Presente

ELETTRICI

Tensione	220v - 24v - 12v	**Nr. batterie**	12	**Capacità batterie**	180 A
Generatore	Köhler	**Carica batterie**	Presente	**Inverter**	Presente

BREVE DESCRIZIONE

Riva 76 perseo super, from 2026, moored in mallorca,

Dati ritenuti corretti, ma non contrattuali. La presente non costituisce, in nessun caso, documento contrattuale.

DESCRIZIONE COMPLETA

ACQUA is a 2026 Riva 76’ Perseo Super with a specification that pushes an already exceptional model considerably further. Her Shark Grey exterior with contrasting Bright Black details gives the yacht a particularly assertive presence, complemented by gloss mahogany accents unmistakably rooted in Riva tradition. Twin upgraded MAN V12-1800 engines provide the performance expected of the Perseo name, while a gyroscopic stabilizer, stern thruster, twin 19 kW generators and tropical air conditioning significantly strengthen her cruising credentials. With over €1 million invested in factory options, ACQUA represents a rare opportunity to acquire a highly personalised example without the compromises of a standard specification.

Broker Comments:
ACQUA is the kind of yacht whose value becomes clearer when the specification is examined closely. The upgraded propulsion, stabilisation, manoeuvring equipment and extensive factory options address precisely the features experienced owners tend to prioritise. Combined with her distinctive Riva finish, she is an unusually complete 76’ Perseo Super.

DESCRIZIONE INTERNI

Description per area

LAYOUT:
ACQUA adopts the desirable four-cabin, four-bathroom configuration, creating genuine flexibility for family cruising and guests while retaining dedicated crew accommodation. Her interior has a cooler, contemporary character, with Brushed Breeze Oak joinery balanced by black and white detailing, leather finishes and Calacatta Apuano marble across three guest bathrooms. An electric skylight introduces natural light into the forward salon, while electric curtains and blackout blinds allow the atmosphere to change effortlessly throughout the day. Above, the sundeck provides a second helm station and an additional outdoor living area, complemented by separate foredeck and cockpit spaces that allow guests to spread naturally around the yacht.
Interior Layout:

N°. GUEST CABIN: 4

N°. TOILETS 4
