HANSE 575 is not only a completion of the new Hanse 5 range but a total implementation of a new trend in her class with a very bold attitude of pushing the limits in every aspect of the design, functionality, performance, luxury and safety. It is not just setting new trends but setting a new level of concept which will be loved by the sailors for the years to come.

Designed by Judel/Vrolijk & co, the world's most successful yacht designers, the HANSE 575 is the perfect cruising yacht. The designers have, of course, helped us maintain our record of offering the fastest cruising yacht in its class. You can sail this yacht on your own if you like. thanks to the HANSE 'Easy Sailing Concept', you can set sail, tack and even reef from the helm – it's all so effortless. So why not set sail today!
