DESCRIZIONE COMPLETA

CUSTOM LINE NAVETTA 30 - Built 2023/2024 -

Boat in Immaculate Condition - Fully Equipped - Catalog Pictures -

Custom Line’s expertise has conquered the market with its serene, displacement-speed Navetta series. The Navetta 30 brings them close to perfection. Step aboard this amazing 5-suite, tri-deck yacht, and it’s hard to believe she is under 100ft. Small enough to slip into the most attractive harbors, she nevertheless has all the qualities anyone could wish for in a fully-fledged superyacht – with the added bonus that she can be driven without a master’s qualification as she is officially under the 24m RCD limit.

DESCRIZIONE INTERNI

Layout Interior: 5 Cabins - 6 Bathrooms - 3 Crew Cabins

Unlimited by the constraints of a fast planning yacht, Custom Line has gone to town on the interior of the Navetta 30, creating what must surely be one of the most comfortable, spacious, and luxurious living areas of any yacht under 100ft. The beautiful top-deck saloon is almost as large as that on the main deck. The owner's suite, forward on the main deck, has some of the largest windows imaginable, as well as a private balcony looking out over the water. And the lower deck has two double and two twin guest suites, plus crew accommodation for six.
