DESCRIZIONE COMPLETA

RIVA 44 RIVARAMA Super - Year 2014 - VAT Paid -

-Boat in Perfect Conditions - Ready for the season -

This is one of the world’s most beautiful 40 knot sports cruisers, its dazzling finish is so beguiling, its lines so perfectly balanced that it defies belief that anyone could have designed something so beautiful. This impressively engineered 44ft (13m) beauty is brimming with exquisite, practical detailing, designed to make life on board as easy as possible. Offers plenty of sturdy handrails, extra spring cleats and a sophisticated electronically controlled bimini that hinges beneath the deck mouldings when not in use. If you had been a motor boat designer, this is perhaps what you would have come up with.

DESCRIZIONE INTERNI

The layout is simple, yet elegant. The entire below-decks living area is for the exclusive enjoyment of the owner. Forward, there was a double berth with reading lights and an array of beautifully crafted drawers. Amidships and to port, hidden from view, is a refrigerator, cooktop, microwave oven and stainless steel sink, with adjoining cupboards and upholstered drawers loaded with cutlery, pan set, and a china for four all emblazoned with the Riva logo. To dial it up another notch, a "champagne cooler" comes as standard, which is a deliciously decadent feature. For the Crew there is a single-berth, single-head stateroom accessed via a cockpit hatch.
