Anno immat.	2019	Anno costruzione	2019
Velocità massima	36 nodi	Velocità crociera	30 nodi
Zavorra	-	Stazza	-
Dislocamento	45399 t	Pescaggio	-
HP Fiscali	-	Scadenza RINA	-
Bandiera	Spain	Visibilità	Spain - barcelona
Prezzo	Euro 2.760.000		
Note prezzo	Vat paid - spanish flag		

COMBUSTIBILI E MOTORI

Nr. serbatoi	1	Capacità serbatoi	3800	Materiale serbatoi	Still
Motori	VOLVO PENTA 3 x 800	Tipo carburante	Diesel	Ore moto	717
Revisione motori	Summer 2022	Tipo elica	Bronze	Trasmissione	IPS

MATERIALE COSTRUZIONE

Scafo	Fiberglass	Tuga	Fiberglass	Coperta	Teak
--------------	------------	-------------	------------	----------------	------

IDRAULICI

Serbatoi acqua	1 x 1000 lt	Materiale serbatoi	Still	Tipo boiler	-
Dissalatore	Presente	Autoclave	Presente	Boiler	Presente

ELETTRICI

Tensione	220v - 24v - 12v	Nr. batterie	-	Capacità batterie	-
Generatore	Köhler (70 Kw)	Carica batterie	Presente	Inverter	Presente

BREVE DESCRIZIONE

Azimut s7 - 2019 - very good opportunity - buona opportunità -

DESCRIZIONE COMPLETA

AZIMUT S7 - 2019

BOAT IN INMACULATE CONDITION AND FULLY EQUIPPED

Representing a new epoch of sports Motoryacht, the 21 meter long Azimus S7 extends and enriches Azimut Yachts' sports collection and reputation for crafting performance vessels of the highest standard. The use of carbon fiber in the superstructure and the pivoting platform has made it possible to increase the volume of the boat without affecting the overall weight, optimising performance. This, in conjunction with the triple IPS technology, improves performance and consumption while also providing even more deck space. The result is a livable below-deck area—measuring a remarkable 13 meters in length—as well as a garage with space for both a 3.25-meter tender and a jet ski. In terms of performance, the S7 delivers a superlative sports experience, featuring three Volvo IPS 1,050 propulsion units, each equipped with an 800 hp engine, enabling maximum speeds of more than 35 knots when fully fitted out. The Advanced Cruising Solutions (ACS) program introduces active trim control, to adjust the yacht's longitudinal trim; the driving joystick; the integrated onboard control and monitoring system; and the auto balance system that transfers fuel from tank to tank to adjust transverse trim in changing load conditions—a wealth of features designed to maximize performance.

DESCRIZIONE INTERNI

Accommodation

Luxurious 4-cabin accommodation layout for up to 8 guests:
