DATI PRINCIPALI

Cantiere/Modello	WALLY POWER 58X	**Categoria**	Nuovo
Lunghezza	17,5 mt	**Larghezza**	5 mt
Anno immat.	2023	**Anno costruzione**	2023
Velocità massima	50 nodi	**Velocità crociera**	38 nodi
Zavorra	-	**Stazza**	-
Dislocamento	27500 t	**Pescaggio**	1,3 mt
HP Fiscali	-	**Scadenza RINA**	-
Bandiera	Cayman islands	**Visibilità**	Italy
Prezzo	**Euro 2.000.000**		
Note prezzo	Vat nont includediva non assoltasin iva		

COMBUSTIBILI E MOTORI

Nr. serbatoi	1	**Capacità serbatoi**	4500	**Materiale serbatoi**	Still
Motori	MERCURY 4 x 600	**Tipo carburante**	Benzina	**Ore moto**	190
Revisione motori	2023	**Tipo elica**	Bronze	**Trasmissione**	Fuori bordo

MATERIALE COSTRUZIONE

Scafo	Fiberglass	**Tuga**	Teak	**Coperta**	Teak

IDRAULICI

Serbatoi acqua	1 x 450 lt	**Materiale serbatoi**	Still	**Tipo boiler**	Electric
Dissalatore	Presente	**Autoclave**	Presente	**Boiler**	Presente

ELETTRICI

Tensione	220v-24v-12v	**Nr. batterie**	8	**Capacità batterie**	180 A
Generatore	MASE (15 Kw)	**Carica batterie**	Presente	**Inverter**	Presente

BREVE DESCRIZIONE

Building on the revolutionary wallypower58 platform, with its striking glass and carbon dome, the wallypower 58x introduces a range of new features.

DESCRIZIONE COMPLETA

WallyPower58X - Year 2023 -

General description
The remarkable new Wallypower 58X embraces the familiar walkaround design found in the existing Wallypower 58 model and adds an extra WOW factor! No less than Four Mercury Verado 600hp V12 outboard engines!
The Wallypower 58X employs a pair of retractable aft bulwarks and a spacious sunpad for four people, resulting in an expansive 25-square-meter beach club area with a hydraulic passerelle serving as a convenient bathing ladder. Coupled with a lower salon and master cabin/heads, this is without question 'the ultimate day boat'.
BROKER COMMENTS: WALLEYE combines "cutting-edge outboard performance with the essential access to the water that the Wallypower line is known for. As one would expect from Wally, the aesthetics of the vessel are impeccably designed and finished." WALLEYE is available immediately and in perfect condition. Factory warranty remains until Spring 2025.

Building on the revolutionary wallypower58 platform, with its striking glass and carbon dome, the wallypower58X introduces a range of new features adapted for outboard propulsion.

It is the first Wally yacht to be fitted with the new 600hp Mercury V12 Verado – or rather, a powerful configuration of four of them. With 2,400hp on the transom, the stable and efficient deep V-hull can reach an exhilarating 50 knots. And yet fuel consumption remains low, while the boat’s additional tankage gives it a range of 300 nautical miles.

Performance is therefore a given, but Wally has also exploited other capabilities offered by the new Mercurys. They have a reduced draft compared to other models, making the boat suitable for shallow water operations, while the rotating gearcases and joystick manoeuvring system ensure trouble-free precision docking in tight spaces.

The wallypower58X comes as standard with folding bulwarks, so no space is sacrificed in the aft section by opting for the outboard configuration. Moreover, just as Wally pioneered on the 48X and later the 43X, the hydraulic passarelle has been smartly built in to make it safe and easy to enter or exit the water.

Without the inboard engines there is naturally extra storage capacity. With the same flexible accommodation for one or two couples as the wallypower58, the boat is set up for exceedingly comfortable daysailing o overnight.

DESCRIZIONE INTERNI

Equipped with a true double bed at the bow and bathroom inside.
Salon with 2 sofas and 1 Toilet.

DESCRIZIONE ARMAMENTI

HULL AND DECK
Access GRP hatch to anchor locker
Aft doors for closing the platform with engines on
Aft sunbed with cushion and storage underneath
Anchor chain (100m, ø 10mm)
Anchor system concealed in the bow and operated by an electric 1,5kW windlass by local wired remote control and from helm-station
•
Black water pump out cap
Cabinet under the pilot seats with drawers for cutlery and crockery (8pax)
Cabinet with Corian countertop and storage underneath
Carbon foldable table with matt scratchproof finish
Cockpit chairs (3)
Cockpit with windshield in glass, steering console and sliding door to the cabin
Composite hull with Ice White gloss gelcoat
Concealed stainless steel electro-hydraulic gangway with teak steps
Deck counter with concealed working top, sink & tap, cooking top, underneath lockers and drawer fridge 85l
Deck self-draining system
Deck shower in the aft area (hot & cold)
Engine room access from the cockpit through aluminum hatch
Fresh water fill cap
Fuel fill cap
Gray water pump out cap
GRP hatch for storage access forward of bow sunbed area
Hard top, made in composite and glass and mast with integrated navigation led lights
•
Hi-Fi system with loudspeakers in cockpit (2) and in bow area (2)
•
Hot galvanized casted steel anchor 20Kg
Hull antifouling coating
Lateral hydraulic terraces
Living area with sofa with upholstered cushions, underneath storage for deck equipment
Manhole between bow storage and chain locker
Pilot and passenger sea

DESCRIZIONE STRUMENTAZIONE

12V outlet and USB in helm station Bonding system with porous copper plate
Cathodic protection with aluminum anodes
Electrical system 24V and 230V 50Hz
Engine and service battery charger Engine start batteries low maintenance (2 for each engine)
Generator 9,5kW
Lighting 24V Manual battery switch for generator and engines
Parallel battery for engine start-up Parallel battery for service/auxiliary service
Power outlets in various areas 230V
Service batteries low maintenance (4)
Shore power deck connection 32A 230V with cable
Engine's carters metallic painting 1 14.500,00 € OPT15128
Awning for foredeck sunbathing area with no.4 removable carbon poles
Awning for aft sunbathing and dining area with no.2 removable carbon poles
Aft sunbed electric awning
Hull & deck painting metallic
Generator Upgrade Mase 15kW
WALLY waterproof cover for aft and bow sunbeds
WALLY waterproof cover for cockpit seating area electric opening
Cover for windshield and side glasses
Carbon WC Diff. From STD 2 pc
Pilot seat manual backward/forward system
Comfort shower at stern carbon finishing
Monitor upgrade: 2 x 19" lcd displays diff from std anchor area
Simrad broadband radar
Search light 24 V electrically controlled
Inverter 2.500 W – 24V
Air conditioning upgrade for interior area + exterior
Gyro Stabilizer SEAKEEPER 9
Icemaker Hoshizaki 220V on deck with filter system
Additional drawer fridge under portside bench
Premium Sound pack JL Speakers + Subwoofer
Microwave oven (Combi) in LD

Watertight socket inside aft sunbed storage
White underwater lights on stern (2) and sides (4)
Magic Portholes (55'' additional TV in LD dinette + external camera)
Safety equipment for 16 people (life raft + jackets) Diff. From STD
Watermaker 130 l/h
Internet upgrade to 5G
Inflatable life jacket (8)
Life raft for 8 people (2 x 4)
Stainless steel and teak stairs to lower deck

NOTE AGGIUNTIVE

Metallic Silver with matching
engine covers
