BREVE DESCRIZIONE

Riva 38 rivamare - anno 2020 - iva assolta

DESCRIZIONE COMPLETA

Riva's 39ft open-top showstopper is a celebration of the classic style of the legendary wooden Riva of the 1960s, but brought right up to date. With a top speed of 40 knots, the Rivamare is a glorious dayboat, or 2-berth weekender, that brings together the best of the Aquariva, the Rivarama and the classic Aquarama, but with some rather clever and surprising 21st century additions.

DESCRIZIONE INTERNI

The Rivamare is essentially a dayboat but with a fully-fitted cabin under the foredeck, either for an afternoon snooze or for a few nights on board. Certainly, if you're just out for the day, the Rivamare provides all the facilities and creature comforts that you might need. The interior is all beautifully styled and finished, as you'd expect, and includes a convertible v-berth/double/dinette as well as shower/WC and a galley
